Vol. 27, Number 24, Wednesday, June 6, 1975 | 510 Broadway Seaside, Calif. 93955 Area Code 408- 394-6632 | 10cents per copy: $5.00 per year by mail

Independance Day Parade Will Be Largest In Its Twenty-Five Year History

The 25th Annual Independence Day Parade and Celebration Committee with Jim Spitz as President announced that with over 300 invitations in the mail and with responses coming in already indicates that this years parade held in Seaside will be the largest ever.

He also announced that the parade will be held on Sunday, July 1st beginning at 1 pm.

It will start on Del Monte at Tioga, proceed South on Del Monte, turn East on Broadway terminate at Broadway and Calaveras.

Many of the particapants along with many outstanding military units will be drum and bugles Corps, floats, bands and mounted units from the State of Washington to Central California.

A new feature in conjunction with this year's celebration will be a Drum and Bugle Corps field contest to be held on Saturday evening, June 30th at the Monterey Peninsula College football field beginning at 7 pm.

Drum and Bugles Corps from Spokane and Seattle, Washington, Portland, Oregon and from Sacramento, Stockton, South San Francisco, San Leandro, Concord and San Jose wwll put on evening of music and precision marching and maneuvering. This is the first time this type of contest has ever been held on the Monterey Peninsula.

Tickets are on sale now at all the Chamber of Commerce offices on the Monterey Peninsula and in Marina.

Other activities to be held will be the Pan Cale breakfast sponsored by the Seaside Chamber of Commerce, a Bar-B-Que sponsored by the Young Adults for Action, along with concessions by service clubs, Veterans organizations PTA and other clubs. These activities will be held on Sunday, the day of the parade and will be held at Geary Plaza in the Monterey Peninsula Automobile center in Seaside.

Along with Jim Sptiz, other officers of the Parade of Champions parade committee are: Chuch Blower, vice president; Verlain Crawford, Secratary; Joe Ferria, treasure and Howard Ingels as parade chairman.

Last Dance This Friday

Seaside High School dance students will present their final concert of the year this Friday, June 8, at 8:15 p.m. in the Monterey Peninsula College theater.

Director Carol Surman said the program will range from jazz and modern dances to a number of student compositions and "Dreamscape," with an electric score. One number will feature dances based on Greek children's games. Students are preparing their own costumes.

Dnacers from Monterey and Carmel high schools have been invited to perform at the concert, Mrs. Surman said.

Admission is 50 cents.

BEST - Last Saturday, Monterey Peninsula Auto Center was scene of finals of MPAC Safe Driver Competition. Two very proud peninsula teenagers were recipients of $500 college scholarships and first prize trophies. They are: Jane Brown, 17 year-old Pacific Grove Senior, winner of girl's division, and Gary Kageyama of Monterey High, boy's division champion. Also smiling proudly are members of competition's co-sponsoring organization, Don Butts, (left) representing Monterey Peninsula Auto Dealers Association and Harry Weiler, president of Independent Insurance Agents of Monterey Peninsula.

Adult Summer School Registration Is Set

Pre-registration for the expanded 1973 Summer Adult School will be held June 11, 12 and 13, Gerald O. Anderson, director of adult education for the Monterey Peninsula Unified School District, has announced.

Adult evening classes will be held from June 18 through August 10 at Monterey and Seaside high schools, Anderson said.

Class offerings include basic high school credit courses such as English, U.S. history and civics; office skills like typing and Gregg shorthand and miscellaneous subjects including auto mechanics for men and women, radio-television repair, physical fitness for women, preparation for parenthood, sewing, crafts and even a mother-daughter sewing course.

The Seaside Community Band class will continue to be offered during the summer, as will driver education and training classes.

A nurse's aide and orderly training class will be offered five mornings a week for six weeks.

The Adult Nasic Education program at the Del Monte Manor in Seaside will operate during the afternoons.

Anderson said summer class offerings have been expanded over past years in hopes of reaching more adults in the community. Previously, most summer adult classes have been limited to subjects needed for high school graduation credits.

Schedules listing class offerings are available at the adult education offices at Monterey and Seaside high schools Monday through Thursday evenings, or during the day time at the district adult education offic at 700 Pacific St., Monterey. Pre-registration can be accomplished at the two high school adult offices June 11, 12 and 13 between 7 and 9:30 p.m.

For more information, call the district office during daytime hours at 649-7336; the Monterey High adult office Monday through Thursday evening at 649-7386 or the Seaside High adult office Monday through Thursday evenings at 649-7188.

Kiwanis Club Honors 133 Students

One hundred and thirty three Monterey High School students have been honored for academic excellence at a banquet sponsored by the Monterey, Monterey Peninsula and -del Monte Kiwanis clubs.

The students were chosen according to their grade point averages, explained Bud Wise, assistant principal.

Eight sophomores received special honors for having earned 4.0 grade point averages during the first semester of their 10th year. They were Archie Bates, Chi Ming Gong, Carroll Hood, Jerry Lew, Roger Lewit, Kim Oman, John Pappas and Danny Tanaka. Top juniors were Fredric (correct) Plotkin and Steven Yorita. Top seniors were James Quattlebaum and Robin Poskus.

Wise said the three Kiwanis clubs have announced plans to hold such banquets annuallv.

Monterey High Holding Reunion

Monterey High School Class of 1963 is having a reunion.

If you have **not been notified or you have addresses of other classmates please call:**

John Pattullo - 899-2446; Rosemarie Capodicci - 899-2112; Barbara Ward - 394-8364.

13 Retiring Teachers To Be Honored

Thirteen educators whose experience totals 380 years will be honored at a retirement reception this Friday in the Caboose Room at the Ramadia Inn, 1425 Muras Ave., Monterey, from 4 to 6 p.m.

The reception is co-sponosred by the Monterey Peninsula Unified School District, the Monterey Bay Teachers Association and the Monterey Peninsula PTA Council.

The 380 years of experience includes years spent teaching or in administration outside the Monterey school stystem. The group has spent a total of 270 years in Monterey schools.

Retirees and years spent in Monterey schools include: Thelma Bailey, 13; Edna Bullock, 17; Elizabeth Johnson, 18; Mildred Koch, 26; Reu Manhire, 35; Dale Michael, 17; Philo McCulley, 15; Louis Peresenyi, 16; Wayne Pixley, 23; Marie Schatz, 28; Helen Sleice, 24; Ilse Steinberger, 14 and June Turner, 27.

Lewis Will Be Musical Director

John Lewis, celebrated pianist and musical director for the Modern Jazz Quartet, will again serve as musical director for the annual Monterey Jazz Festival according to Jimmy Lyons, Festival general manager.

This year's Festival, the 16th Annual, will be held September 21, 22, 23 on the Monterey County Fairgrounds.

Lewis, known world-wide as the pre-eminent jazz pianist, is also noted for his many original compositions. He has acted as musical director for many of the Jazz Festival's fifteen years, and the Modern Jazz Quartet, under Lewis' leadership, has made many appearances on stage at Monterey.

The five concerts of the Festival are held in the Fairgrounds' 7000-seat outdoor arena. For information, write Monterey Jazz Festival, P.O. Box JAZZ, Monterey, California 93940.

City Announces Summer Recreational Classes

Summer recreation classes and programs were announced this week by the Seaside Parks and Recreation Department. These programs are available to Seaside residents first, and then to non-residents on a first--come, first-served basis.

Detailed information and registration forms are available at any Seaside Elementary School, Seaside City Hall, and the Seaside Recreation Center, 1185 Wheeler, Seaside.

Registration Forms may be returned to the Elementary Schools by June 8th, Friday, or to the Recreation Center beginning June 11. Telephone registration will be accepted at the Recreation Center, 3948531, ext. 57, 58, or 59, between the hours of 8:30 a.m. to 4:30 p.m., from Monday, June 11, through Friday, June 15, 1973.

SUMMER PLAYGROUNDS

Each area will have two Recreation Leaders to supervise and conduct daily activities, including: low organized games, crafts, music, drama, storytelling, nature study, sports, special events and trips. For children 5 years and older. Open 12 noon to 5 p.m. Daily, Monday through Friday, June 19 (Tuesday) through August 24 (Friday).

SPECIAL EVENTS
(Playgrounds will be closed)

NEW MANAGER OF STATION KZEN IS Alex Edward Robinson, native of Patterson, New Jersey. He has been in California since his Army discharge at Fort Ord in 1954. Alex attended Ogden Radio School of Engineering in Huntington Beach and has first class lincense. He started station KAZA in Los Angeles and since that time has worked for several other stations. His most recent DJ job was with KDON in Salinas, where he spent two years. His hobbies include swimming and roller skating.

Seaside Ripples

CLINT C. PORTER, Asst. Publisher

You but arrive at the city to which you were destined, you hardly settle yourself to satisfaction before you are called by an irrisistible call to depart. You shall be treated to the ironical smiles and mockings of those who remain behind you. What beckonings of love you receive you shall only answer with passionate kisses of parting. You shall not allow the hold of those who spread thier reached hands toward you.

Before I proceed with my column I will inform you that in a couple of weeks I shall be departing for a while. There is a seriously neglected operation I have to undergo, but with the help of everyone, it will solve many future problems.

I am leaving everything in good hands. Andy Barragan's son, Bob, will be making my runs and some runs of his own. Treat him with kindness, he deserves the very best because he is putting forth his best foot. Do not trod on it.

My next two columns will be continuous. Different from my previous ones, but after reading the articles in the Christian Anti-Communism Crusade (May 15th issue) I thought I would pass along to you some of the information I received:

In 1966, Huey Newton and Bobby Seale founded the Black Panther Party For Self-Defense. This party was born with gun-in-hand. The favorite slogan was the maxim of Mao Tse-Tung, which was: "Political power grows out of the barrel of a gun."

During the first four years of its existence, the Black Panther Party existed in an atmosphere of violence and terror. Both Huey and Bobby were tried for murder and manslaughter, and spent periods in prison though juries could not agree on a verdict of guilt. Many Panthers were killed in

ARMY RECRUITER

Hi everyone.

Did you ever look at a map, and wonder how the precise location of farms, buildings, forests, roads and waterqays was determined? The highly-paid professionals who gather this information are called topographic surveyors. The primary task of the surveyor is to determine the exact measurements and locations of elevations, lines and contours on the earth's surface, and the distance between pints. Surveyors are assisted by a field party of three to six men who set up and adjust equipment and make measurements under the surveyor's direction. The usual training for a surveyor is a combination of post-high-school courses and extensive on-the-job training. Surveying courses are offered by colleges, technical institutes, vocational achools, and by correspondence.

TODAY'S ARMY has been the starting place for many successful surveyors. TODAY'S ARMY offers a ten-week course in topographic surveying at its Engineer School at Ft. Belvior, Virginia. After completion of the course young men begin their practical work in the Surveying field. A lot is taught at the school, but the experience is where the money will be paid after completion of their military service if they desire to return to civilian life. Not to mention the benefits received while serving on active duty and receiving the training.

Nine people enlisted to TODAY'S ARMY during the month of May. There were: Richard R. Beatty, 785 Amador, Seaside. Richard enlisted in our Delayed Entry Porgram for Automotive Repairman. Presdently he is the US Army Reserve Program and will report for active duty in September this year. Wendy L. Heiser, 601 3rd Ave., Ft. Ord, also enlisted in the Delayed Entery Program. Wendy will enlist on active duty in July for Our Dental Specialists School; Michael B. Rinehart, who resided out of town. Reginald K. Bennett, 1790 Highland St. Seaside, and Michael A. Hoyer 1785 Mendocino St., Seaside, enlisted for the $2500 Bonus plus they chose Armor as their field to work in, and also Europe as their place of duty with a 16 month *minimum guarantee. Debra L. Tibbits, 302* Mulheim Rd., Ft. Ord, enlisted for the Medical Corpman Course at Ft. Sam Houston. After her school, she chose Ft. Sill, Oklahoma, as her place of duty with a 16 month minimum guarantee Richard A. Soos 331 Hayes Cir., Ft. Ord, enlisted for the Strategic Communications Command. He chose the Communications Facilities Controller as the job for his training. It is a 23-week course at Ft. Monmouth, New Jersey. Katherine J. Stockton, 3183 Ninole Dr., Marina, enlisted for the Medical Laboratory Specialist School. Philip A. Williams, 1418 San Pablo Ave., Seaside, reenlisted for The Regular Army Enlistment Option for a three year period.

For more information about TODAY'S ARMY opportunities, please contact us at 431-Webster St. Monterey, or call 372-4742/372-0553.

Marina Needs Volunteer Firemen

YOU'RE NEEDED - If you think you can handle work as fireman, contact Marina firestation, 208 Palm Avenue, Marina. They are in need of volunteers to help fight fires, as this volunteer is doing.

If you are 18 to 40 years of age, in good physical condition, have good moral background and are willing to donate some of your free time to help those in distress, you may apply for an application to become a volunteer fireman with the Marina Fire Department.

If accepted, you will be expected to attend a special training course in Basic Firemanship and Emergency First Aid and Rescure. This course will be tought at the fire station on week nights and during the daytime on Saturdays. After completion of this course, you will be welcomed into the volunteers and given a badge, turnout clothing, and a radio receiver to receive the emergency alarms. From then on you will be required to attend all emergency calls when your in town. Special courses are available for those who want to advance in rank.

The volunteers have a social club which is sponsoring its 13th Annual Fireman's Ball, June 16th, at the Community Center. In the past, proceeds went for such items as the Rescure Beach Buggy and Resusci-Anne which were donated to the Marina Fire District in order to provide a better service to the community. Throughout the year the volunteers hold many parties, picnics and barbecues to which their families are invited. At present the men are restoring an antique fire engine which they have used in parades and other department activities.

From time to time they have a structure to burn for training purposes. It's a real live drill and many things are learned from this actual experience. A person can be shown and told what to do but somehow it is not the same as experiencing it under real live conditions. Of course, each man is watched by a more experienced fireman under the guidance of an officer.

If you are a Marina resident and feel you can qualify and wish to become a volunteer fire-fighter, please pick up an application at the Marina Fire Station, 208 Palm Avenue.

Receives USF Honor

Carrie Mae Chavis of Seaside has been appointed to Gamma Pi Epsilon, the national Jesuit honor society for women.

The honor was announced Sunday, May 27, at the 114th annual commencement of the University of San Francisco.

The 22-year-old nursing graduate is the daughter of Lovie Jane Chavis, 1654 Luxton St., Seaside.

Thirty-four senior women were chosen out of a graduating class of more than 900 for their excellence in scholarship, service, and loyalty to the university.

Local Student Graduates From West Point

Garland Bonner

Cadet Garland C. Bonner, 22, son of First Sergeant (USA, Ret.) and Mrs. Jones E. Bonner, 1755 Vallejo St., Seaside, will graduate from the U.S. Military Academy on June 6.

Cadet Bonner will receive a Bachelor of Science Degree and his commission as a Second Lieutenant in the Signal Corps. A 1969 graduate of Seaside High School, he was appointed to the Academy by Representative Burt L. Talcott of California.

While at West Point, Cadet Bonner was president of the Karate Club. During his senior year he held the rank of Cadet Sergeant.

Admiral Thomas H. Moorer, chairman of the Joint Chiefs of Staff, will give the graduation address to the newly commissioned officers.

MPC Names Division Chairmen

Monterey Peninsula College President George J. Faul has announced the appointment of six new division chairmen for three-year terms of office.

Effective July 1, the new chairmen are Larry Cummins, who replaces Miss Pat Elliott as physical education division chairmen; Mel Bristow, replacing Cloan Powell in the physical science division; Ken Peterson, replacing John Tolson in the engineering and technology division.

James Stevenson, replacing Mrs. Bertha Hutchins in the ethnic studies division and Elliot Roberts, replacing Rod Holmgren in the humanities division.

Dr. Winona Trason, chairman of the life science division, was appointed for a second three year term.

The appointments were made fellowing recommendations from members of each of the divisions.

Continuing to serve as division chairmen next year are Dr. Henry Smith, creative arts, Carl Pohlhammer, social science and Howard Boone, business.

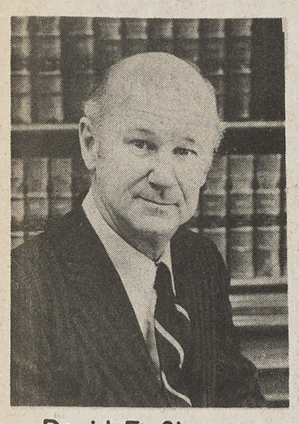
Christian Scientists Hold Annual Meeting In Boston



David E. Sleeper

Do more to "help humanity through spiritual means."

This was an appeal heard in Boston, Monday, June 4, by some 12,000 Christian Scientists from around the world, including a number from Northern California.

David E. Sleeper, the new Chairman of The Christian Science Board of Directors, said at the Annual Meeting of the denomination that interest in Christian healing is growing in various countries but much more remains to be done.

"The whole human race," he said, "needs the ministering, healing, saving support of the Christ. And we can serve that Christian purpose better than we're doing."

According to Robert W. Newell, the Committee on Publication for Northern California, the five-year goal of the denmination -- increased emphasis on spiritual healing -- is being vigorously emphasized at the local level.

A milestone in the history of The First Church of Christ, Scientist, in Boston, Massachusetts, the Annual Meeting was the first to be held after the occupancy of the new Christian Science Center by the headquarters of the denomination. The theme of the meeting was "Every Church Activity a Healing Activity."

Mr. Sleeper in his keynote address said that right in the middle of a "problem-prone, trouble-ridden society God's everpresent love and care can be known and experienced."

The world needs a "more spiritually enlightened since of brotherhood and unity," he said. "This calls upon us all to progress in expressing the Christian qualities of Love (God) throughout our churches -- more patience, gentleness, compassion, understanding. It is not enough that we talk love and equality. We must show we mean it." He expressed gratitude for the increased number of church members who are taking steps to enter the full-time ministry of Christian Science healing.

The new Board Chairman was brought up in Texas. In 1954 he left the oil exploration business in Dallas to enter the public practice of Christian Science. He became a teacher of Christian Science in 1961. Prior to joining the five-member Board of Directors in 1969, he served as Executive Administrator of The Mother Church and as Manager of Committees on Publication.

At the meeting, Marc Engeler, a former bank executive in Geneva, Switzerland, was named Treasurer of the Church, the first from outside the United States to hold the position. He succeeds Roy Garrett Watson of Boston, who served as Treasurer 32 years.

New members named to The Christian Science Board of Lectureship for the coming year include Horacio Omar Rivas, a native of Buenos Aires, and Albert Bankart Crichlow of Trinidad, West Indies. Mr. Chichlow is the first black to serve as a Christian Science lecturer.

During the year, The Christian Science Monitor, the demonination's international daily newspaper, moved ahead with worldwide syndication of its news coverage, which now reaches more than 21 million readers, including nine million outside of the United States.

The Church organization began in 1879 with the formation of the Church of Christ, Scientist, in Boston, Massachusetts, four years after publication of the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy. Today there are some 3,200 churches throughout the world, including nearly 400 in California.

Recreational Classes

Continued from page 1

ment skills through movement exploration. Open to girls 7 to 16 years of age. Dates: June 18 - July 13.

BALLET: A class offering skills of movement and rhythm. Ballet is an introduction to style and technique through the everyday exercises of walking, sitting and running. All classes meet at the Recreation Center. Dates: June 18 - August 24.

BATON: Teachers skill of balance and coordination through basic routines of twirling and marching. For girls 7 to 16 years old. Dates: June 18 - August 24.

COMMUNITY BAND: - Musicians of all ages are invited to participate in this activity. Weekly practices lead to monthly concerts. Meets at Seaside High School Music Room. Dates: June 21 - August 30.

TEEN ACTIVITIES

A program for Junior High and High School age persons is being developed by the newly formed Seaside Youth Council. Activities will be announced as they are planned.

OPEN GYM: Gyms will be open for the appropriate age groups for semi--organized activities.

SENIOR ADULT ACTIVITIES

SEASIDE ADULT CENTER: Group meets Tuesdays and Thursdays for Potluck Lunch, games and cards.

VILLA DEL MONTE: Group meets first Wednesday of the month for Lunch and program. Donation of $1.00.

SPORTS ACTIVITIES

BASEBALL: A Summer Baseball Program for boys 8 to 12 years of age. Participants will be placed on teams, and will have at least one practice and one game per week. Dates: July 9 - August 31.

KARATE: Instruction and practice in Korean Karate. Cost: $10 per month. Dates: June 1 - August 31.

TRACK: A beginning track program for Elementary and Junior High age children, boys and girls, emphasizing correct techniques and methods. Dates: June 18 - August 24.

MINI-BIKE TRACK: Opeen to boys and girls 6 - 17 years old. Track is open daily, 12 noon to 7 p.m. Track is located on North side of Seaside High School, with entry only off Coe Avenue.

MINI-BIKE CLUB: An organization of riders and parents who organize and participate in monthly races. Membership fee is $1. per month. Meetings are held the first Wednesday of the month, 7:30 p.m. at the Recreation Center.

AQUATIC ACTIVITIES

A range of American Red Cross Swimming Lessons is offered for children from 4 to 12 years of age. Each session consists of a series of 10 lessons.

BEGINNING SWIM CLASSES: Certified instructors teach the basic skills of swimming to children who have NOT received the American Red Cross Beginning Swimming Card. The minimum requirement for children is four years of age.

ADVANCED BEGINNER CLASSES: Certified instructors teach the individual proper breathing, the elementary backstroke and improve his basic swimming skills.

YWCA And The World Of Work

One of the major goals of the YWCA of the Monterey Peninsula in its current fund campaign is the expansion of service to girls, women, and their families, especially in the field of economic and vocational advancement. Throughout its 100-year history, YWCA has been dedicated to this objective, among others, and in earlier years offered job counseling and placement, before this special service was taken over by state and private agencies.

The YWCA of the Peninsula, sponsor of the March 1972 conference at Asilomar, which dealt with problems of women and girls at work, is now cooperating in the programs of the local school districts focusing on Career Education. One avenue of combined service is the recruitment of resource persons, men and women pledged to share their vocational experience with both boys and girls. Another is the compilation of vocational information for both counselors and students, to augment previous resources.

To expand the scope of professional career counseling for adults, as well as the total YWCA program, additional staff - now to be fulltime - is being recruited, which means that the fund campaign is all the more urgently needed. In youth activities, Barbara Tappe of Pacific Grove has now been appointed full-time worker. Among her many activities is the direction of teen-age girls as volunteers in convalescent hospitals, where visitors are especially welcome. A dozen other activities are available this summer. A schedule of these may be obtained by writing to YWCA, Box 1268, Monterey, or telephoning 373-1713. For the position of full-time Executive Director, applicants are invited to send resumes, especially persons with previous YWCA experience.

"When Reason speaks to you, harken to what she says, and you shall be saved.....For Reason is a prudent minister, a loyal guide, and a wise consellor. Reason is light in darkness, as anger is darkness amidst light. Be wise - let Reason, not impulse, be your guide."
--Words of the Master-- Kahlil Gibran

Seaside Ripples

Continued from Page 1

shootouts with the police. Others were killed as a result of internal quarrels. Huey Newton himself reports that, as a result, the Black Panther Party became a source of terror to the black community and the darling of the white radicals. It "defected" from the black community.

In 1968 Bobby Seale made a speech in Montreal and said: "I don't care how a man is dressed and I don't care whether his hair is natural or processed; it's what's up here that counts (tapping his forehead); it's his ideology. If you go into a bank and point a gun at 'the man' and say, 'Give me some coin,' that's ideology. If you see a supermarket, and you have a desire to burn and loot, that's ideology. I know some brothers in Harlem who even wear sharkskin suits, but their ideology is right. When it comes to burning and looting, they're always among the first."

Bobby even told them that they didn't even have to go to the bother of thinking it out for themselves. Three brothers had had the necessary experience and developed the "ideology" for them. They were: Brother Mao, Brother Che Guevara, and Brother Malcolm X.

Huey Newton was to Bobby Seale as Mao Tse-tung was to Chou En-lai. Huey, the mind and pen, Bobby the mouth and hand; Mao, the mind and Chou, the mouth.

Huey Newton, being very intelligent, realized that the Black Panthers had isolated themselves from the black community and reached a dead end. So he decided to change the tactics and the public image at the same time. If you can't beat them - join them.

He de-emphasized the role of the gun and substituted community service. From "off the pig" to "serve the people."

He did not renounce Leninism, he simply applied it. Lenin stressed "flexible tactics to be determined by existing conditions." Or, find out what people want, promise it to them, go to work to get it for them so that you can come to power over them. The Panthers concentrated on service to the community through such things as free breakfasts, food parcels, free shoes, and health clinics. (Ed. note: The money came from donations, voluntary, or otherwise. I know of one business that was picketed almost into bankruptcy before he gave in.)

Bobby Seale discared his leather jacket and black beret, donned a business suit and was nominated as a candidate for Mayor of Oakland. Many people were so pleased with the discarding of violence that they decided to work within the system.

Bobby was so successful that he forced the mayor of Oakland into a runoff. He has achieved a political miracle in Oakland. Mayor Reading received over 55,000 votes while Bobby Seale received only a little over 21,000, but it was enought for the runoff. He was a man who became a public figure because of his devotion to the gun and violence.

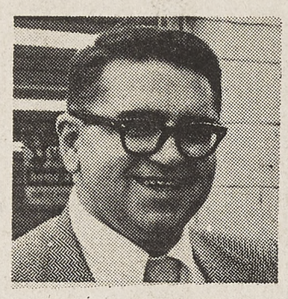
Next week we shall discuss what Huey Newton has in store for the future, and the role violence and terrorism shall play in it.

Meanwhile, let me git out of your hair. There is still a paper shortage (news print), so we are still a bit limited for space. But keep those cards and letters coming.

Andy is still having his little ups and downs, but still manages to retain the desire to get out of the house, plus finding ways and means to attain his desires.

If you want to see something funny, go to the donkey baseball game next Saturday put on by the Monterey Police Department. If you have never seen such a hilarious event, you have missed the thrill of a lifetime. See you there, just do not be at the south end of a donkey going north.

Your Mayor Reports



Joe Dolan

APPRECIATION

The letter quoted below in its entirety, addressed to our FIRE DEPARTMENT, is hereby acknowledged with my personal thanks to Mrs. Bundenthal. Frequently I hear praise regarding our City staff - all departments - and this letter reinforces my belief that our City is composed of people who do care about their neighbors. We are a Brotherhood City!

"This letter is very late in coming, but after your Ambulance and very kind men came today to take one of our ladies to the hospital, I just had to take time out to write you to thank you and your men for a wonderful, wonderful owrk that you are doing for the community.

"We have just purchased this Rest Home in October, 1972 and ever since then it seems as if we have called on your department for help more than two or three times. First there was that Flu epidemic we had after Christmas time, and now a heart condition.

"How can we ever function without your very able crew and equipment, we will never know. We hate to even think that someday you might not be there. For this reason, we are sending you a check for the amount of $100 as our contribution for any equipment you may need to buy in the future.

"We know that it is small, but if everyone contributed to your much needed fund for equipment or other things, then we would never lose you.

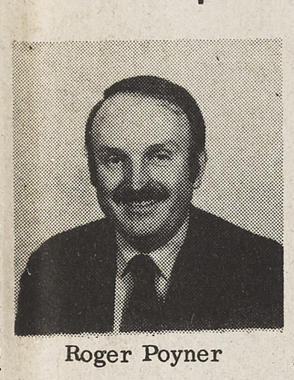
"In passing, may we also say that your firemen are courteous, kind, alert, efficient and according to some of our ladies, "they are all very handsome." We do agree that you have hand-picked, and have done justice to your department by hiring them.

"We hope to meet you someday to thank you personally.

Gratefuly yours,
Mr. & Mrs. E.V. Bundenthal

N.B. fire Cheif Kayser has indicated that this money will be applied specifically to the Cardio-Beeper which can be easily taken to the rest home for demonstration purposes when the Cardio-Beeper is received.

Your Supervisor Reports



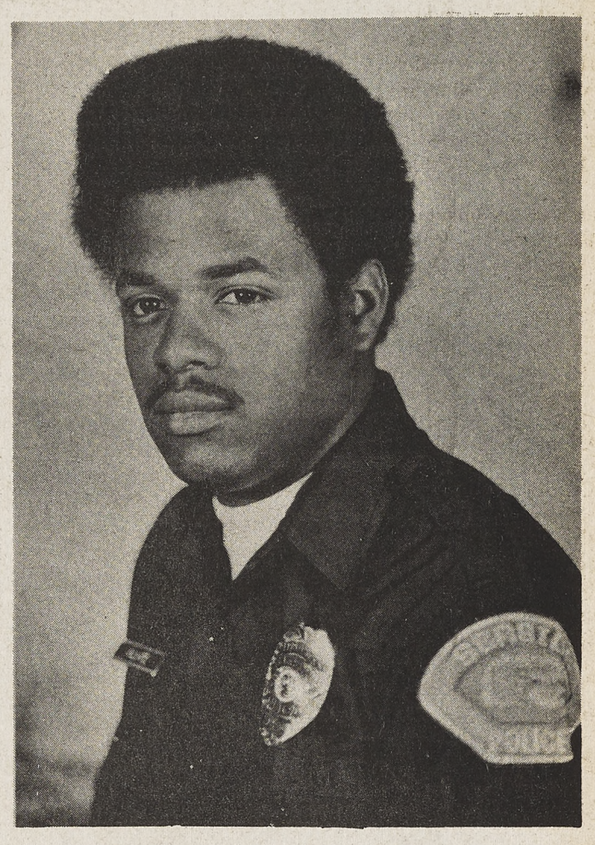
Roger Poyner

I was present at the California Public Utilities Hearing last Thursday on Bay Rapid Transit's application to terminate public bus service on the Peninsula. As your county representative on the Joint Powers Agency, I supported the position that the BRT should continue service under the present $3,000 a month subsidy. The PUC staff recommended the subsidy be increased to $4,000 a month. However, Mr. Ward, BRT's owner, wishes to be compensated for some $10,000 in losses already incurred before considering any additional subsidy. The PUC will probably render its decision within four weeks. Our community cannot afford to let bus transportation die. On May 11, I made a special trip to San Francisco and obtained assurances from the Federal Urban Mass Transit Administration (UMTA) that they would provide two-thirds of the funding for an immediate $30,000 study to tell us which is the best way to go on the Peninsula as far as bus transportation is concerned.

I support a higher month subsidy to BRT but insist that service must be improved; particularly, there must be service to the county building on Aguajito Road and to the Community Hospital. I also will urge that the Joint Powers Agency move to operate a prublic bus service as soon as possible.

I am assured that there are sufficient funds available because of the new sales tax on gasoline to subsidize a public transit system which will be truly responsive to our transportation needs. Through UMTA there are capital grants available which would mean new buses to serve our routes. I personally be ieve that large buses could connect by single stops all of the population centers on the Monterey Peninsula and even Salinas. Smaller buses operating within each community could service the particular transportation needs of that community connecting with the larger bus pick-up points for inter-community service. I also believe that the fare system should benefit handicapped persons, senior citizens, and our youth. I would even suggest that our needs for school transportation could be integrated into the total public transportation picture. There is a public transportation crisis, but we must see it as an opportunity for creative change and betterment.

cop's corner
by Jim Barnes



Officer Reginald Devon Wilhite

Reginald Devon Wilhite was born and raised in Chicago, Illinois. While attending Harper High School in Chicago, Reginald participated in the school's ROTC program where he rose to the rank of captain. He was also very active in sports.

After graduation from high school, Reginald had the opportunity to make a choice in a career field, it was either, join a street gang or the United States Army. He chose the Army due to the high mortality rate of the street gangs.

Reginald received his basic training at Fort Lenningwood, Missouri (known as the Little Korea of the Army), then he was sent directly to Vietnam for one year. Following the year in Asia, he was on orders to Fort Hood, Texas, but since Reginald wished to live in California he volunteered for Drill Sergeant School located here at Fort Ord Reginald worked as a race relations instructor, and worked with the basic trainees at the firing ranges.

Taking his discharge two and a half years after entering mililtary service, Reginald seriously considered going back to school for the formal education he had missed while in the military service. Reginald felt that there was something missing in his life, he wanted to do womething that would be self-satisfing as well as benefiting others. Having this in maind, he applied for the position of police officer and was accepted by the Seaside Police Department. Working in the patrol division now almost one year, Reginald has gained a great deal of insight about the city and its problems.

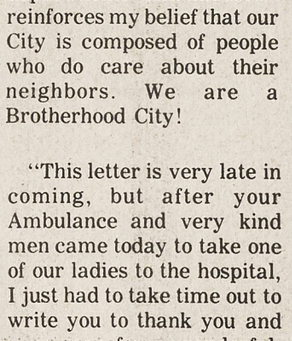
He stated that in the very near future he hopes to be able to work with juveniles in some capacity.

As far as schooling goes, Reginald stated that he will be attending Monterey Peninsula College in the Fall semester so he may better qualify himself in his chosen vocation.

Officer Reginald Wilhite resides in Seaside with hiw wife Juanita who has been a member of this community for several years.

As I See It

BY MEL VERCOE



The John Birch Society has just got to go down in history as one of the great American tragedies of the 20th century. A few days ago I paid two whole dollars to hear a speech by a Catholic priest who had been a John Bircher for twelve years.

The title of his address had led me to believe he was going to attack liberal churches for aiding communism, which to me meant he would have raked the Unitarian Church over the coals for their part in publishing the Pentagon Papers via Beacon Press. Since our Washington adminstration had brought charges against the Unitarian Church for such an unpatriotic act as trying to inform the American people about quite a bit of deceit in high places, this should have been a natrual for the priest.

I was terribly disappointed. His main attack was against the Catholic Church for such heinous crimes, for example, as putting the Mass in English so people who did not understand Latin would get some inkling of what it was all about, and I heard one member of the audience express doubt that Christ himself would have understood the Latin.

Another interesting target was our now-famous President, Richard Nixon. The priest, Rev. Fenton, compared George Washington with Mr. Nixon by remarking that Washington did not lie and that Mr. Nixon is considerably less than truthful.

This attack on Mr. Nixon is the part I don't really understand, considering the almost identical anti-communist philosophies of the President and the John Birch Society. I know several Birchers, and I am sure they are all intelligent enough to recognize that Mr. Nixon's overtures to China and Russia have absolutely nothing to do with any softening toward the communists. Without American conversations behind closed doors with the Chinese, the Russians would have been tempted to destroy the Chinese threat with a nuclear strike, but may now hold off, not knowing what Nixon might do in return. And without China to act as a balance against the Russians, the small amount of influence we have remaining in Asia after our Vietnam debacle would have been wiped ou. period.

But back to the Birchers, they are so sincere, so patriotic, so concerned about our country's future that I don't think anybody could top them for effort, but I sure wish somebody could get through that shooting holes in a water tank to kill the termites drilling into it is not nexessarily the best way to keep it from leaking - that maybe a broader, more objective appraoch to our various problems might keep America alive longer than an approach that happens to be more exciting or whatever.

The SPARD

By Charlene Thorson

The youth of Seaside met for a weekend retreat last weekend, for the purpose of setting up a Youth Council in the City of Seaside. Barbara Tucker and Paula Andreini, student advisors from Seaside High School, along with John Gary from King Junior High School and J.J. Jones, Park and Recreation Department, advised the following youths: Regina Battle, Marshetta Devan, Elaine Mince, Margarette Pope, Julie Russell, Bill Watts, and Gail Williams.

Tomorrow, the youths will hold a workshop for other youths of Seaside to attend. Our youths are getting it together with the city Park and Recreation Department.

There will be a mini-bike Race Sunday June 10. All interested kids and parents come to the track behind Seaside High School. Jackets are ordered for the Club Members and parents. Entry fee is $2.50 per rider with trophies for place winners. We hope to see all riders at the track.

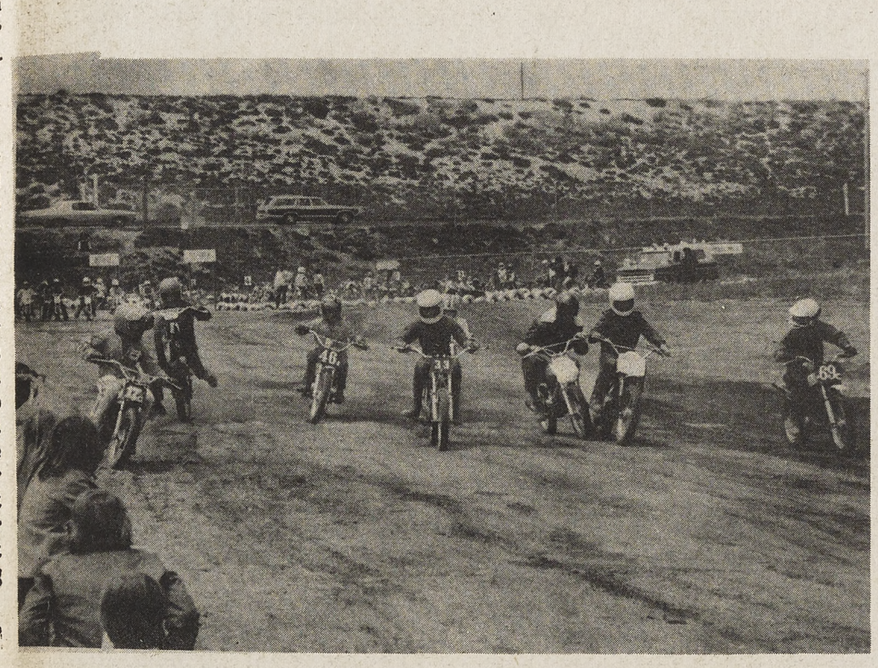
MINI-BIKE CLUB MEETING

The Seaside Partans Mini Bike Club will hold it's monthly meeting on Wednesday, June 6, 1973, at the Seaside Youth Center, 1185 Wheeler Street, beginning 7:30 p.m.

Items for discussion will be the June 10th race at Spartan Raceway; Club Jackets (sizes for Jackets will be needed); and the July 4th Parade of Champions. All members and would-be-members should attend. If any member cannot be present, please call in your Jacket size, at 394-8531, Ext. 58.

MINI-BIKE RACE

The Seaside Spartans Mini-Bike Club will hold its monthly ract at Spartan Raceway, June 10, 1973. Sign-ups will be from 9:30 to 11 a.m. with races beginning at 12:30 p.m. Entry fee is $2.50 per rider. Food and refreshments will ve available at the track. Spartan Raceway is located below Seaside High with entry off Coe Avenue.



EXCITING - Thrilling mini-bike race scenes like this willbe repeated this Sunday, June 10, when Spartan Mini-Bike Club holds its monthly ract at Spartan Raceway.

New Exhibition At Museum

Paintings by Eleanor Andesson will remain in the Main Gallery of the Monterey Peninsula Museum of Art through June 30.

The new exhibition for the Balcony Gallery opened Tuesday, June 5. Hand printed silk hangings done with the tie-dye method by Carter Smith of Santa Cruz will be on view through June 30. Born in Baltimore, the artist has lived most of his life in California having received his Bachelor's Degree at U.C. Santa Cruz and his Master's Degree at U.C. Santa Barbara in sculpture. In the Museum show Smith is showing advanced forms of tie-dyeing in which he has used seven or eight different kinds of dyes and twenty-five or thirty colors for each piece.

Museum hours are **T esday through Friday, 10 a.m. - 4 p.m. and Saturday and Sunday, 1 p.m. - 4 p.m. It is closed on Mondays. The location is 559 Pacific St., Monterey.**

Fish Follies

The Salinas Valley Aquarium Society will sponsor its fifth annual open fish show, Wet Pet Follies of 1973, June 16 and 17. This year in conjunction with the fish show there will be the first annual Aquatic Arts, Craft and Photography Show.

The show will be held at Washington Junior High School, Iverson and Lang Streets, in Salinas. It will be open to the public from 2 p.m. through 9 p.m. on and from 10 a.m. through 5 p.m. on Sunday, June 17.

Seaside Coed Cited By Work Experience Group

Seaside High School senior Fatima Azevedo of Seaside has been named the top work experience student for the year by the Monterey Bay Chapter of the California Association of Work Experience Educators.

The award was announced by chapter president Robert Reyes de Carvajal Jorge.

Miss Azevedo, who received a $10 check along with a trophy, was selected from among high school seniors from schools throughout the chapter's territory, which includes all of Monterey, San Benito and Santa Cruz counties and the southern portion of Santa Clara County.

As well as attending Seaside High, Miss Azevedo has been employed half-time by the Financial Marketing Corp., of Monterey under the work experience program.

TOPS - Fatima Azevedo of Seaside High School receives $100 check from Robert Reyes de Carvajal Jorge, president of Monterey Bay Chapter of California Association of Work Experience Educators while Dr. Alden Phillips, coordinator of vocational education for Monterey Peninsula Unified School District, looks on. Miss Azevedo was selected as the association's top work experience student of year.

Students Honored

Kathleen Fernandez and Lee Carter, both of Seaside, and students at Monterey Peninsula College, were featured at a recent Altrusa Club dinner at the La Playa Hotel in Carmel, following their attendance as Altrusa-sponsored delegates at the World Affairs Council meeting in Asilomar.

The topic of the evening being International Relations, Mrs. H. Paul Riebe of Carmel, a member of the world UNICEF Board, was also present.

Packers Add New Pitcher

The Salinas Packers have added right-hander William "Sugar Bear" Daniels to their roster. Daniels was sent to Salinas by Oakland and replaces Pat "No -Hit" Tatom, who moves up to Birmingham.

"Sugar Bear" was the A's first selection in the June, 1971, free agent draft after a brilliant prep career at Mac Kenzie High in Detroit. He had a 34-4 record, pitched nine no-hitters and fanned 406 batters in 314 innings. He was with Burlington in the Midwest League last year and the first month of 1973.

Glass-Blowing Demonstration Is Friday

The Seaside Art Commission will present a free public lecture-demonstration on glass-blowing art this Friday, June 8, 1973, at 7:30 p.m. in Seaside City Hall Council Chamber, according to Chairman Charles Lee of the Commission.

Terry Allie of Redwood Estates will be the guest artist, initiating the monthly series of art demonstrations for the summer. Mr. Allie started glass sculptureing at the age of 13, influenced by his father who has been working with glass-blowing art for about 20 y3ars. When Terry Allie was 15 he began his career as a professional artist, selling many of his glass sculptures. Since then, he has participated in many art shows in the country and won several first awards.

In November, 1972, Terry Allie took over his parents' shop in Old Town, Los Gatos, where he has been spending much of his time now. Sometimes he may be seen working at the local outdoor art festivals at Del Monte Shopping Center and Custom House Plaza in Monterey. His works are different from his famous father's. Anyone interested in seeing how he creates them is welcome to attend his demonstration on Friday evening.

George Cunningham

GEORGE THOMAS CUNNINGHAM

George T. Cunningham of Seaside, June 2, 1973. Beloved husband of Edith Cunningham of Seaside; loving father of Daniel B. Jones of Cincinnati, Ohio, and Janet Carmichale of Denver, Colorado; loving brother of Albert Wunderley of Sacramento; loving grandfather of 3 grandchildren.

A native of Sheeprach, California, age 81, past master of Gateway Lodge #821 F. & A.M. of Seaside; past mayor of Seaside, 1956 thru 1958; 10 years Seaside city council member; life member of Seaside Lion's Club; a member of the American Legion Post #591 Seaside; 22 year member of Elks Lodge #1285 of Monterey; Trustee of Mosquito Control Association Seaside; Seaside Whiskerino Club member; member of Veterans of Foreign Wars Post #8679; Lincoln - Cunningham Park was named after him; Grand Marshal of the 1967 Fourth of July parade.

Services were held Tuesday, June 5, at 2:30 p.m. at SEASIDE MORTUARY, 1610 Noche Buena St., Seaside, with Gateway Lodge #821 F. & A.M., Seaside, officiating. Interment followed at Mission Memorial Park, Seaside, with a protestant chaplain of Fort Ord officiating with full military honors. Veteran of W.W. I with 32 years of U.S. Army Service.

Tour Will View Russian Exhibit In Los Angeles

A trip by air to Los Angeles to see the magnificent collection of art from Russia is planned for Wednesday, June 20th, by the Monterey Peninsula Museum of Art. A block of seats has been reserved from the 8:20 a.m. flight from the Monterey Airport and for the return flight which arrives back in Monterey at 8:40 p.m. the same day.

Works by the French Impressionists, never before seen in this country, are being shown at the Los Angeles County Museum of Art before being returned to Russia. The Collection has just been shown at the National Gallery of Art in Washington, D.C. where it was featured on a recent television program.

Those interested in joining the group may make reservations through the Museum by calling 372-5477. The deadline is June 13th. Cost of the round-trip flight is $47.50 and there is a $1 charge for entry into the exhibition.

Band In Church Concert

The Seaside Community Band, a joint effort of the Seaside recreation Department and the Monterey Adult School, will present a public concert Sunday, June 10, at 8 p.m. in the St. Francisc Xavier Church, 1475 La Salle Ave.

John Grant, a senior at Seaside High School, will be guest piano soloist. Director Ben Turner said Grant will be featured with the band in the "Warsaw Concerto." Besides being a musician, the youth is president of his high school class.

Turner said the program will include the "1812 Overture," a Cole Porter medley and a rendition of "God Bless America."

The band is made up of persons of all ages and walks of life, and will continue rehearsing and playing through the summer, he said.

Filed: May 7, 1973

IN PRO PER for Petitioner

SUPERIOR COURT OF CALIFORNIA, COUNTY OF MONTEREY

In re SHANE LAMOUNT THOMAS, JR. a Minor, by AMANDA LOUISE WALDRUP Parent, for

Change of Name.

No. M5980
ORDER TO SHOW CAUSE

WHEREAS AMANDA LOUISE WALDRUP, Petitioner, as a parent of applicant SHANE LAMOUNT THOMAS, JR., a minor under 18 years of age, has filed a petition with the clerk of this Court for an order changing applicant's name from SHANE LAMOUNT THOMAS, JR. to NATHANIEL LAMOUNT WALDRUP;

IT IS ORDERED that all persons interested in the above-entitled matter appear before this court at 9:30 A.M., on June 15, 1973, in the courtroom of Superior Court, 1200 Aguajito Road, City and County of Monterey, California, and show cause, if any, why the petition for change of name should not be granted.

IT IS FURTHER ORDERED that a copy of this order to show cause be published in the Seaside POST News-Sentinel, a newspaper of general circulation printed in Monterey County, California, once a week for four successive weeks prior to the date set for hearing on the petition.
DATED: May 7, 1973.

Free Legal Guide Offers Advice To Pre-Retirees

People who put off seeking sound legal advice usually discover that the delay has multiplied both their problems and the price they will have to pay an attorney to solve them, according to a free Legal Guide prepared for people in the 50-plus age group by Action for Independent Maturity (AIM).

The Guide, disigned to provide middle-agers with a basic knowledge of their legal rights and responsibilities, emphasizes the fact that sound legal guidance in handling property, financial resources and family affairs can determine independence, security and peace of mind now and in the future.

While most people delay talking to a lawyer except as a last resort--because of a general distrust of lawyers or a fear of high fees, the Guilde points out that initial 30-minutes consultations with attorneys can be arranged through local Bar associations for as little as $3 to $15, depending on the locality.

"For you to try to deal with the vast complexities in law would be foolish," the booklet warns.

The Guide provides basic information on selecting a lawyer, preparing a will, starting a business venture, buying or selling a home, and protecting credit standing. It points out, for instance, that consulting an attorney should be considered a "must" in connection with any agreement to live in a special housing development, condominium, or cooperative.

In addition, the Guide explains the difference between civil and criminal law and outlines the rights of both the accused and the victim in any violation of criminal law.

For a free copy of the "Legal Guide to Independent Living," write: Legal Guide, AIM, 1225 Connecticut Avenue, N.W., Washington, D.C. 20036.

Doctors Staff Community Hospital Emergency Room 24 Hours A Day

Day or night there now is always a "doctor in the house" at Community Hospital.

In-the-hospital physician staffing of the Emergency Department on an around-the-clock basis started recently at Community Hospital, Dr. Theodore C. Hooker, president of the Medical Staff, said.

In the past, one of the 176 doctors on the staff served the Emergeny Department on a rotating, on-call basis. "Fortunately," Dr. Hooker said, "whenever there was a serious emergency, there was either a doctor who happened to be in the hospital or the physician on call arrived in a matter of minutes."

Arthur C. Stewart, president of the Board of Trustees of the hospital, said: "Some time ago we realized that with the number of emergency patients reaching 1,500 each month, we would have to provide 24-hour, in-the-hospital physician staffing in order to provide the public with the best care as quickly as possible.

"The reason we did not do this sooner is that initially it requires a considerable subsidy. Now, friends of the hospital have made it possible for us to start this service. It has been the experience of other hospitals that within a year or two no subsidy is required."

Dr. Hooker said, "Last March we persuaded Dr. Ferris C. Burleson, past president of our Medical Staff, to give up his private family practice and devote full-time to our Emergency Department. He has been appointed Director of Emergency Services and has organized nine other doctors to assist him."

Dr. Burleson said the nine other doctors, who will maintain their private practice in the day time and will staff the Emergency Department at Community Hospital on a rotating basis at night, are:

Drs. Garth H. Harley, William B. Wenner, Glenn E. Hudgens, Gerald Carnazzo, William W. Walden, Craig E. Christensen, Richard Zug, John N. Baldwin and James A. Pretzer.

Dr. Burleson will be in the Emergency Department 8 a.m. to 5 p.m. Monday through Friday. When he is not present, one of the other nine doctors will be in the department.

"This will give more complete coverage to the community so at no time will there be a delay in taking care of an emergency patient. What I am especially happy about is that we are offering better patient care to the public."

Patients being treated in the Emergency Department will be billed by the hospital. After emergency treatment, should continued care or admission to the hospital be nexessary, the patient will be referred to another doctor on the staff.

In addition to the doctors, there are 12 nurses and clerks assigned to the Emergency Department which has three emergency surgery rooms and four special treatment rooms. Two of the emergency operating rooms are equipped with X-Ray to speed care and each of the treatment rooms is specially equipped for emergency care.

Openings Still Available At Camp Amigo

There are still a few spots available for camp Amigo summer camp, scheduled to begin July 9 in Carmel Valley. Applications for children between the ages of 7 and 12 may be obtained by calling: Mrs. Theodore Calhoon -- 373-4283; Mrs. Alan Washburn -- 373-4843; Mrs. John Smith -- 242-5517.

Fees for the first two one-week sessions in Carmel Valley are $1. The second two sessions held at Big Sur will be $2 for the entire week. Bus transportation will be provided for Seaside and Monterey campers. A schedule listing time and places for pick-up will be sent out prior to camp.

The medical clearance day will be held at Highlands School in Seaside on Saturday, June 9, between 9 a.m. and 12 noon. Parents are invited to attend for a brief orientation. Milk and doughnuts will be provided as well as a chance to meet the camp counselors. Transportation to Medical Clearance Day will be provided for anyone desirous of a ride to Seaside School by calling Mrs. Calhoon at 373-4283.

The Schedule is as follows:

Session 1 -- July 9th through July 13th -- 9:30 a.m. to 3:30 p.m.

Session 2 -- July 16th through July 20th - 9:30 a.m. to 3:30 p.m.

Session 1 and 2 provide a day camp program including one overnight camp out each week.

Session 3 -- July 30th through August 3rd -- 9:30 a.m. Monday, return Friday 1 p.m.

Session 4 -- August 6th through August 10th -- (same as Session 3).

Session 3 and 4 consist of a week of camping out at Big Sur Camp Grounds.

For more information, call Lou Langley at 624-2269.

Oly Sprints Return To Laguna Seca

An exclusive gathering will take place in Monterey during the weekend of June 23-24.

It will be a group of the fastest sports car drivers in California along with some "outsiders" thrown in for flavor. They'll get together at Laguna Seca Raceway for that annual summer rite called the Olympia Sprints.

They'll be competing in the best that Datsun, Corvette, Triumph, Porsche, Lola, Ford, MG, Jensen-Healey and others have to offer.

Fans will be treated to exciting racing both days plus qualifying and practice There will be 21 classes of racing cars competing in four categories--Formula, Sedan, Production and Sports Racing.

Expected to give the crowd their money's worth will be the internationally famous race team, Group 44 from Falls Church, Virgina; the new Jensen-Healey prepared by Joe Huffaker for national championship competition; a Northern California Porsche-Audi team; the FAR Performance team featuring Walt Maas in the Datsun 24OZ.

Miss Scruggs Graduates From U Of Redlands

Bachelor's degrees were conferred upon 330 seniors Sunday, May 27, during the 64th annual commencement at the University of Redlands.

The diplomas were presented by University President Eugene E. Dawson, who presided over the 5 p.m. ceremony in the outdoor Alumni Greek Theatre on the Redlands campus. In addition to the undergraduate degrees, master's degrees were awarded.

A total of 18 of the undergranduates were awarded academic honors.

Baccalaureate services for graduates were conducted at 11 a.m. in Memorial Chapel, with the Rev. Donald Shockley, chaplain and assistant professor of religion at the University of Redlands, delivering the sermon.

Dr. Edward C. Halbach, Jr., dean of the School of Law, University of California, Berkeley, delivered the University commencement address.

Among those receiving bachelor's degrees was: Janis LaNell Scruggs, daughter of Mr. and Mrs. L. R. Scruggs, 1394 Elm Ave., Seaside. Miss Scruggs received her A.B. in German.

Free Plays Are This Weekend

A weekend of plays willbe shown free of charge to the public by the Children's Experimental Theatre at the Forest Theater in the Ground in Carmel, June 9th and 10th.

The Third Graders present **Stone Soup**--the familiar tale of the three hungry soldiers who persuade suspicious peasants to feed them--at 9:30 Saturday and 2 p.m. Sunday.

The Fifth Graders will share **To Your Good Health**--a wild Russian folk tale concerning a demanding Tsar and a little, impudent shepherd who wouldn't give in--at 11:30 a.m. Saturday and 1 p.m. Sunday.

Two casts of Fourth Graders will present an adaptation of **The Pied Piper**--when rates invaded the town of Hamelin 500 years ago, a strange piper appeared when everyone was despairing--at 10:30 a.m. and 1 p.m. Saturday.

The Sixth Graders present **Great Fear**--a realistic treatment of the summer of rumors and panic in France in 1789, before the French Revolution--3 p.m. Saturday and Sunday.

The Junior-Senior High group will present **Early Snow**--concerning a natural disaster, an odd assortment of human beings come together in a barrow-mound in first century Britian--at 8 p.m. Saturday and Sunday.

****Great Fear** and **Early Show** are not likely to be enjoyed by very young children.

Anyone desiring further information about the performances please call the CET at 624-1531.

WANT TO KNOW THE HONEST TRUTH ABOUT GROUND BEEF?

IT'S THIS: NOBODY can guarantee its EXACT fat content

There's been lots of talk lately about the fat lean ratio in ground beef. So why not label each package: Contains X% of fat? Let us tell you why.

We've been making ground beef just about as long as anyone and we know there's no way to make two batches that are exactly alike. Two samples taken from the same batch (or even the same package) can differ in ratio of fat to lean. Even with meticulous care in selecting ingredients, there are variations in fat/lean ratio. Even with our most modern grinding and mixing equipment. Even with use of the best available fat-measuring devices.

Yet we know our customers want and expect us to provide them with a choice of ground beef products to meet their varying preferences, tastes and budgets. After long and careful consideration, we have concluded that we can best meet our customers' need for variety by offering just two ground beef products—REGULAR and PREMIUM. We make both kinds from fresh chunks of beef. We prepare both kinds with equal care to maintain the top quality which has helped earn our fine meat reputation.

Our REGULAR is made the way we believe most families prefer their ground beef. It contains enough fat to assure full juiciness in the cooked meat. It makes marvelous hamburgers, meat loaves, meat balls, spaghetti sauce, Salisbury steak and other delicious dishes.

Our PREMIUM is made to please families that want a leaner ground beef. It shrinks less in cooking and makes wonderful ground beef dishes of all kinds—plain and fancy.

Why not try both kinds and see which is preferred by the folks at your house? (You might even want to make a mix with some of each.) The famous Safeway money-back guarantee applies, of course, to our ground beef as to all of our other products.
